MEMORANDUM FOR: Director of Public Affairs
FROM: Director of Central Intelligence
SUBJECT: Greater CIA Openness

1. In my hearings, I indicated my desire to continue Director Webster's policies in terms of improving accessibility to information about CIA by the public and overall openness to the extent possible, whether through background briefings for the press, public speeches by senior officials, or appearances on college campuses and elsewhere by professionals within CIA. I would like for you to appoint a task force to review these practices and see how they can be improved, and also to suggest additional proposals for making more information about the Agency available to the American people and to give greater transparency to our organization, internal control mechanisms, and steps that we take to ensure compliance with the law, actions consistent with the values of the American people, and cooperation with Congress. I invite you to include non-Agency individuals in your task force if that is appropriate and useful.

2. I would like to have your report and recommendations by 20 December 1991.

Robert M. Gates
